

## **Parking for WICS High School Day**

**Friday, April 19, 2013**

Drop off (8:00am-8:30am) and pick up (2:30pm) are at the same location:

Levine Hall Lobby, 3330 Walnut Street, Philadelphia, PA 19104.

There are several parking facilities located on or near campus, as well as metered parking spaces. Metered parking spaces are available around our building. You can pay at the kiosks located on every block. Metered parking spaces should be available at 8:00am at drop-off. This is recommended if you will only be staying a short while.

For pick up (2:30pm), metered parking spaces will be more limited. If you'll be brief, you can pull into our driveway (located next to our entrance, 3330 Walnut Street) for a quick pick up. Perhaps, you can call your daughter by cell phone, and she can come out to meet you.

For longer stays, we recommend two parking garages:

**Penn's Parking Garage:** Chestnut 34 (NE corner, 34th and Chestnut Streets) Price: \$18 (from 6am-9:59am); \$13 (from 10am-closing).

**Drexel Parking Garage:** Lot G: (SE corner, 34th and Market Streets, with the vehicle entrance in the rear at 34th and Ludlow Streets) Price: \$12.
