Requirements for engineering masters students transferring to CIS/MSE or doing dual degree program with another engineering masters degree:
- Minimum GPA of 3.7
- Transfer request can occur only after end of 1st semester at Penn, but no later than the add/drop deadline of 3rd semester.
- Received a grade of A in one CIS class by the end of 3rd semester.

Transfers only (in addition to above requirements):
- One page statement of purpose explaining why the student wishes to transfer to CIS/MSE.
- A grade of A- and above in a core CIS theory class (CIS 502 or CIS 511) by the end of 3rd semester

SEAS information/forms re: requesting to be considered for a dual degree/transfer can be found at www.seas.upenn.edu/graduate/handbook/g-academic.php#2degree
