## **King's Final Battle**

*"There is another thing closely related to racism that I would like to mention as another challenge. We are challenged to rid our nation and the world of poverty. Like a monstrous octopus, poverty spreads its nagging, prehensile tentacles into hamlets and villages all over our world. Two-thirds of the people of the world go to bed hungry tonight. They are ill-housed; they are ill-nourished; they are shabbily clad."*

Dr Martin Luther King: "Remaining Awake Through a Great Revolution."
