

# Next Class

- Presentation for fluid simulation assignment
  - Submit your presentation to blackboard by midnight on Tuesday
  - Name **all your files** with your last name
  - Presentation will be part of your grade
  - Approximately **2.5** min per person (please time at home)
  - Will start exactly at 1:30. Please come a bit early.
  - Ben will combine your slides into one presentation
  - Include :
    - **One**, at most two slides on how you customized things, what worked, and what didn't, what you did extra
    - **Cool movies!!!** (you can submit any movie you have generated up to this day). **Be creative!**
    - Movies should be embedded into powerpoint (preferably wmv, avi should be fine but email me to check that your codec will work)
